## **The Routes to Learning (R2L) teams' main focus is to help you!**

If you want to learn new skills but are **'just not sure how'**, then the R2L Learning Advisors can provide you with information on local courses, finance, transport and even childcare facilities. We can also arrange a **'have a look and see'** visit to the College.

All you have to do is have an idea of what you would like to learn and the R2L Advisor will help you work it out.

If you want to know more about the **'what, where and how'** then please call our Routes to Learning Advisors who are based in East and West Dunbartonshire.

**Routes to Learning (R2L)** is a partnership between Anniesland College, Clydebank College, Cumbernauld College, East Dunbartonshire Council and West Dunbartonshire Council.
